

**Chapter 23** (Incomplete)**SOUTHEASTERN ASIA: OVERVIEW**

[Text yet to be written]

**Regional Taxonomic Inventory**

Taxa and stages consumed	Countries
<b>Coleoptera</b>	
Beetles/beetle grubs	Pan-regional
<b>Buprestidae (metallic woodborers)</b>	
<i>Buprestis</i> sp., adult	Thailand
<i>Chrysobothris femorata</i> (author?), larva, adult	Thailand
<i>Sternocera aequisignata</i> Saund., adult	Thailand
<i>Sternocera</i> sp., adult	Thailand
<b>Cerambycidae (long-horned beetles)</b>	
<i>Apriona germari</i> Hope, larva, adult	Thailand, Vietnam
<i>Batocera numitor</i> Newm., larva	Philippines
<i>Batocera rubus</i> (Linn.) (= <i>B. albofasciata</i> ), larva	Indonesia
<i>Hoplocerambyx spinicornis</i> (author?), larva	Malaysia
Cerambycid spp., larvae	Myanmar (= Burma), Thailand
<b>Curculionidae (weevils, snout beetles)</b>	
<i>Hypodisa talaca</i> Walk., adult	Thailand
<i>Hypomeces squamosus</i> (Fabr.), adult	Thailand
<i>Rhynchophorus ferrugineus</i> Oliv., larva	Indonesia, Malaysia, Myanmar, Philippines
<i>Rhynchophorus schah</i> Fabr., larva, adult	Thailand
<i>Rhynchophorus</i> spp., larvae	Indonesia, Myanmar, Vietnam
Palmworm/sago grub	Indonesia
<b>Dytiscidae (predaceous diving beetles)</b>	
<i>Cybister limbatus</i> Fabr., adult	Thailand
<i>Cybister</i> spp., adult	Thailand, Vietnam
<i>Cybister tripunctatus</i> (author?), larva, adult	Thailand
<i>Eretes stictus</i> (Linn.), larva, adult	Myanmar
<b>Haliplidae (crawling water beetles)</b>	
Genus?, adult	Thailand
<b>Hydrophilidae (water scavenger beetles)</b>	
<i>Hydrous bilineatus</i> MacLeay, adult	Vietnam
<i>Hydrous hastatus</i> Herbst., adult	Vietnam
<i>Hydrous picicornis</i> Chev., adult	Philippines
<i>Hydrous</i> sp., adult	Thailand
<b>Scarabaeidae (scarab beetles)</b>	
<i>Adoretus compressus</i> Web., adult	Thailand
<i>Adoretus convexus</i> Burm., adult	Thailand
<i>Anomala antiqua</i> (Gyll.), adult	Thailand
<i>Apogonia</i> spp.	Thailand
<i>Copris</i> spp., adults	Thailand
<i>Exopholis hypoleuca</i> (Wied.), adult	Indonesia
<i>Exopholis punctum</i> Blanch., adult	Philippines
<i>Exopotus</i> sp., adult	Thailand
<i>Helicopris bucephalus</i> (author?), larva, pupa	Myanmar

<i>Helicopriss</i> sp., adult	Thailand
<i>Holotrichia</i> sp., adult	Thailand
<i>Lepidiota</i> sp., larva, adult	Thailand
<i>Lepidiota stigma</i> (Fabr.), larva, adult	Thailand
<i>Leucopholis irrorata</i> Chevr., adult	Philippines
<i>Leucopholis pulverulenta</i> Burm., adult	Philippines
<i>Leucopholis rorida</i> (Fabr.), adult	Indonesia
<i>Leucopholis</i> spp., larvae, adults	Thailand
<i>Megasoma actaeon</i> Linn., adult	Malaysia
<i>Onitis</i> sp., adult	Thailand
<i>Onitis virens</i> Lansb., adult	Thailand
<i>Onthopagous</i> sp., adult	Thailand
<i>Oryctes rhinoceros</i> (Linn.), larva, pupa, adult	Myanmar, Philippines, Thailand
<i>Psilophosis</i> sp., adult	Thailand
<i>Xylotrupes gideon</i> Linn.	Myanmar, Thailand
Scarabaeid adults	Indonesia, Malaysia, Philippines, Thailand

**Family uncertain**

<i>Pachyrrhynchus moniliformis</i> (Germ.), adult	Philippines
<i>Psodocerus</i> sp., larva	Indonesia

**Ephemeroptera**

Mayflies	Vietnam
----------	---------

**Hemiptera**

A bug from a river bed	Myanmar
Water bugs	Philippines

**Belostomatidae (giant water bugs)**

<i>Lethocerus indicus</i> Lepeletier & Serville, egg, adult	Myanmar, Malaysia, Thailand, Vietnam
---	--------------------------------------

**Corixidae (water boatmen)**

<i>Leptocorisa acuta</i> (author?), adult	Indonesia
<i>Sternocoris varicornis</i> (author?), adult	Indonesia

**Naucoridae (creeping water bugs)**

<i>Sphaerodema molestum</i> (author?), adult	Thailand
<i>Sphaerodema rustica</i> Fabr., adult	Thailand

**Nepidae (water scorpions)**

<i>Laccotrephes grisea</i> Guer., adult	Thailand
<i>Nepa</i> sp., adult	Thailand

**Notonectidae (back-swimmers)**

<i>Notonecta</i> sp.	Myanmar
<i>Notonecta undulata</i> (author?)	Thailand

**Pentatomidae (stink bugs)**

<i>Tessaratomia javanica</i> Thunb., nymph, adult	Thailand
<i>Tessaratomia papillosa</i> Drury, adult	Thailand

**Homoptera****Cicadidae (cicadas)**

<i>Cosmopsatria</i> sp., adult	Thailand
<i>Dundubia intermerata</i> Walk., adult	Laos, Thailand
<i>Magicicada</i> spp., adults	Thailand

<i>Platypleura insignis</i> Distant, nymph	Myanmar
<i>Pomponia imperatoria</i> (Westwood), adult	Malaysia
<i>Rihana</i> sp., adult	Thailand
Cicadas	Indonesia, Vietnam

**Kerridae (lac scales)**

<i>Kerria</i> (= <i>Laccifer</i> ) <i>lacca</i> Kerr.	Thailand
---	----------

**Hymenoptera****Anthophoridae (carpenter bees)**

<i>Xylocopa confusa</i> Perez, adult	Thailand
<i>Xylocopa latipes</i> Dr., adult	Thailand

**Apidae (honey bees)**

<i>Apis dorsata</i> Fabr., larva, pupa	Philippines, Thailand
<i>Apis florea</i> Fabr., larva, pupa	Thailand
<i>Apis indica</i> (author?), larva, pupa	Philippines, Thailand
<i>Apis mellifera</i> Linn., larva, pupa	Vietnam
<i>Apis zonata</i> Smith, larva	Philippines
<i>Melipona minuta</i> (author?), larva, pupa	Indonesia
<i>Melipona vidua</i> (author?), larva, pupa	Indonesia
Bee brood	Indonesia, Malaysia, Myanmar, Vietnam
Honey bee adults	Vietnam

**Formicidae (ants)**

<i>Crematogaster</i> sp., larva	Thailand
<i>Oecophylla smaragdina</i> (Fabr.), all stages	Myanmar, Philippines, Thailand
Ants/red ant	Indonesia, Philippines, Vietnam

**Halictidae (halictids)**

<i>Nomia</i> sp., larva, pupa	Thailand
-------------------------------	----------

**Vespidae (wasps, hornets)**

<i>Eumenes petiolata</i> Fabr., larva	Thailand
<i>Vespa auraria</i> (author?), larva, pupa	Myanmar
<i>Vespa cincta</i> Fabr., larva, pupa	Thailand
<i>Vespa</i> sp., larva	Thailand
Wasps/wasp brood	Indonesia, Myanmar, Vietnam

**Isoptera**

Winged termites	Pan-regional
Termite queens	Indonesia, Malaysia, Thailand, Vietnam

**Rhinotermitidae**

<i>Reticulitermes flavipes</i> Kollar, winged adult	Thailand
---	----------

**Termitidae**

<i>Macrotermes</i>	Indonesia
<i>Termes atrox</i> (author?), winged adult, queen	Indonesia
<i>Termes destructor</i> (author?), winged adult, queen	Indonesia
<i>Termes fatale</i> (author?), winged adult, queen	Indonesia
<i>Termes flavicolle</i> (author?), winged adult	Thailand
<i>Termes mordax</i> (author?), winged adult, queen	Indonesia
<i>Termes sumatranum</i> (author?), winged adult, queen	Indonesia

**Lepidoptera**

Larger lepidopterous larvae	Thailand
<b>Bombycidae (silkworm moths)</b> <i>Bombyx mori</i> (Linn.), pupa	Myanmar, Thailand, Vietnam
<b>Cossidae (carpenter moths, leopard moths)</b> <i>Xyleutes leuconotus</i> (author?), larva <i>Zeuzera coffeae</i> (author?), larva	Thailand Thailand
<b>Hyblaeidae</b> <i>Hyblea puera</i> Cramer, larva	Indonesia
<b>Pyralidae (snout and grass moths)</b> <i>Bryhaspa atrostigmella</i> Moore, larva, pupa Pyralid sp., larva	Vietnam Thailand
<b>Mantodea</b>	
<b>Family uncertain</b> <i>Hierodula</i> sp. <i>Tenodera sinensis</i> (author?)	Thailand Thailand
<b>Odonata</b>	
Dragonflies/nymphs	Laos, Philippines
<b>Aeshnidae (darners)</b> <i>Anax guttatus</i> Burm., adult <i>Anax</i> spp., nymphs, adults Aeshnidae spp., nymphs	Thailand Indonesia Thailand
<b>Libellulidae (common skimmers)</b> <i>Crocothemis</i> spp., nymphs, adults <i>Libellula pulchella</i> Drury Libellulidae spp., nymphs <i>Neurothemis</i> spp., nymphs, adults	Indonesia Thailand Thailand Indonesia
<b>Macromiidae (belted skimmers, river skimmers)</b> <i>Macromia</i> sp., nymph	Thailand
<b>Family uncertain</b> <i>Epophtholmia</i> sp., nymph <i>Rhyothemis</i> sp., nymph	Thailand Thailand
<b>Orthoptera</b>	
<b>Acrididae (short-horned grasshoppers)</b> <i>Acrydium aerigonosum</i> (author?) <i>Acrydium ranunculum</i> Walker, nymph, adult <i>Acrydium rubescens</i> Stoll, nymph, adult <i>Aelopus tamulus</i> Fabr. <i>Cyrtacanthacris tatarica</i> (author?), adult <i>Locusta danica</i> Linn., nymph, adult <i>Locusta migratoria</i> Linn. <i>Locusta</i> sp., adult <i>Oxya japonica japonica</i> (author?) <i>Oxya velox</i> Fabr. <i>Patanga succincta</i> (Linn.)	Indonesia Philippines Philippines Thailand Thailand Philippines Philippines, Thailand Thailand Thailand Thailand Vietnam Thailand

Locusts/grasshoppers	Pan-regional
<b>Blattidae (roaches)</b>	
<i>Blatta orientalis</i> Linn., egg, adult	Thailand
<i>Neostylophyga</i> [Where?]	
<i>Stylophyga rhombifolia</i> Stoll, egg, adult	Thailand
<b>Gryllidae (crickets)</b>	
<i>Brachytrupes portentosus</i> Licht.	Myanmar, Indonesia, Thailand, Vietnam
<i>Brachytrupes</i> sp.	Thailand
<i>Gryllus bimaculatus</i> De Geer	Thailand
<i>Gryllus testaceus</i> Walck.	Thailand
Crickets/cricket nymphs	Indonesia, Thailand
<b>Gryllotalpidae (mole crickets)</b>	
<i>Gryllotalpa africana</i> Beauv., nymph, adult	Philippines, Thailand, Vietnam
<i>Gryllotalpa</i> sp.	Indonesia
<b>Tettigoniidae (long-horned grasshoppers, katydids)</b>	
<i>Euconocephalus</i> spp., adults	Vietnam
<i>Scudderia</i> sp., adult	Thailand
Katydid	Philippines
<b>Phasmida</b>	
<b>Family uncertain</b>	
<i>Eurycnema versirubra</i> Serville, frass	Thailand
<i>Haaniella grayi grayi</i> (author?), eggs	Malaysia
<i>Platycrana viridana</i> Olivier, adult	Malaysia

#### Item Needing Attention

P. 6. *Neostylophyga* (Blattidae), reported from what country?
